ATMA · TAIWAN

ATMA ATMASC 25PP

PRINTERS / FLATBED PRINTERS

OVERVIEW

Registration pins and pop-up pins are co-existed on table top, registration pins are convenient for alignment (5" and 6" Silicon Wafer), pop-up pins are convenient to off-load manually, registration section is equipped with 6 CCD cameras to detect target on wafer or edge and feedback to control system compare position, X/Y/θ servo motor transmission system activates to move registration platform to precise position (together along with substrate on table top) to accomplish alignment.

BRAND	ATMA
COUNTRY	Taiwan
MODEL	ATMASC 25PP
SERIES	ATMASC
CATEGORY	Printers
TYPE	Flatbed printers

01 SPECIFICATIONS

Model	ATMASC 25PP
Table size	280x350mm
Vacuum area	140x140mm
Max printing area	156x156mm
Productivity	360 P/H
Max frame O/D size	500x500mm
Frame height	25-27mm
Power consumption	1.6KW
Air exhaustion	30L/min
Machine weight	500kg
Machine dimension	1050x1250x1680mm

02 FEATURES

- ☑ Precise Registration Pins: screen up down is driven by German gear motor to collocate with precise high lead screw rod and encoder, digitalized analog control, screen up down fast stable silence and precise positioning
- ☑ Vacuum Suction: collocated with silencer for vacuum positioning, assure the substrate is firmly on table top while sliding movement or printing

Specifications are taken from the manufacturer's published data and may change. Confirm the configuration for your job with Sunstar before ordering.

- Used backlight source for edge centered alignment, also use front light to detect edge contour registration, convenient multi-color printing with accurate alignment to raise work efficiency
- Screen structure with special frame design, just place screen to attain positioning, it is unnecessary to have professional technique for alignment, it can be done easily
- HMI displays Chinese / English language, digitalized control for quick selection, setting, various printing stroke cycle correspondence with multi-printing demand

03 APPLICATIONS

Green energy screen printing machine

SUPPLIED IN INDIA BY SUNSTAR GRAPHICS

Installation, operator training, spares and service from Mumbai.

Send your material, print size and volume per hour for a quotation in rupees.
